EU Packaging Regulation
(Packaging and Packaging Waste Regulation – PPWR)

Based on current information, our packaging and our internal processes comply with the applicable legal and regulatory requirements of the EU Packaging Regulation (Packaging and Packaging Waste Regulation – PPWR).

To ensure complete documentation, we have today requested that all affected suppliers provide us with their PPWR documentation. The submitted evidence will be reviewed and incorporated into our compliance documentation.

We continuously monitor developments in legal requirements and adapt our processes and documentation accordingly as needed.

Sincerely,
Gusstechnik Schopfheim GmbH & Co. KG
