EU Sanctions Against Russia – Regulation (EU) No. 833/2014

Dear Sir or Madam,

Gusstechnik Schopfheim GmbH & Co. KG complies with the European Union's restrictive measures against Russia that are relevant to its business activities, in particular Regulation (EU) No. 833/2014, as amended.

The regulation is subject to ongoing changes and includes, among other things, restrictions on the import, export, supply, and trade of certain goods and technologies.

Iron and Steel Products

The restrictions on certain iron and steel products set forth in Article 3g of Regulation (EU) No. 833/2014 are particularly relevant to our business operations.

The restrictions set forth therein apply, among other things, to certain iron and steel products originating in Russia, as well as to certain products processed in third countries that were manufactured using iron and steel feedstock of Russian origin.

We take these requirements into account as part of our procurement and supply chain processes and, where necessary, request relevant information and documentation from our suppliers.

In addition, we take into account other sanctions-related requirements relevant to our business activities and review them in accordance with the applicable legal framework.

If you have any questions regarding the implementation of EU sanctions regulations within our company, please do not hesitate to contact us.

Sincerely,
Gusstechnik Schopfheim GmbH & Co. KG
